Mr. Jerry Jones
Dept. of Public Safety
Office of State Fire Marshal
5150 Florida Blvd.
Baton Rouge, LA 70806

Dear Mr. Jones:

In recent weeks I have had discussions with your plan review architects concerning the 5' turning area for a wheelchair in an apartment bathroom. I need you to confirm that the 5' circle can go under the lavatory 8" maximum.

Very truly yours,

Jerome A. Gaudet

JAG/mp

- 8" FROM FRONT EDGE OF LAV. MAX
- 9" FROM WALL (7"-8") RE: ADAAG FIG. 31.

CONFIRMED.
