THANKSGIVING FIRE SAFETY

MAKING FIRE SAFETY SOAR IN LOUISIANA

1 STAY IN THE KITCHEN

Never leave food cooking unattended.

2 KEEP THINGS AWAY FROM THE STOVE

Keep towels, oven mitts, and anything that can burn 3 feet from the stove. The turkey is the only thing we want roasted!

3 HAVE A 3 FOOT SAFE – ZONE

Keep kids and pets at least 3 feet away from stoves and other hot cooking surfaces, and safely away from hot food, drinks, and anything that could cause burns.

4 USE A TIMER

Set a timer to remind you to check on food that's cooking.

5 BE READY

Test your smoke alarms before the holiday fun begins, and make sure adults know where the fire extinguisher is and how to use it safely.

6 HAVE A PLAN

Know two ways out of every room and have a safe meeting place outside.
