Camper Fire Claims Life of Bossier City Man

BOSSIER PARISH (November 24, 2026) – A 74-year-old man died Monday afternoon following a camper fire in Bossier City.

Bossier Parish Fire District 4 responded to the fire in the 200 block of Cash Point in Bossier City around 3:30 p.m. Monday, November 23, 2026. EMS transported the man and his 64-year-old wife to a local hospital, where the man died from his injuries.

At the request of Bossier Parish Fire District 4, the State Fire Marshal's Office (SFM) is investigating the incident. The origin and cause of the fire remain under investigation.

"We extend our deepest sympathies to those grieving the loss of their loved one," said State Fire Marshal Chief Chad P. Sonnier. "Tragedies like this underscore how quickly a fire can become life-threatening and the importance of being prepared before an emergency occurs."

The SFM encourages all Louisiana residents to take steps to protect themselves and their families from the dangers of fire.
